## For My Mom

By Jeanne Gawith

I remember yesterday, when I took for granted time.

I thought, I can do it later; I know she will not mind.

But here it is, tomorrow.

Time has gone too quickly.

I need to tell my Mama what is on my mind.

I want to thank her for being mine-

Always there beside me.

Even through the toughest times,

Her wisdom it would guide me.

And when she disagreed with me,

She usually was right.

Yet she never turned away-

Just reminded me, "It's your life."

On those many lonely nights

My best friend she would be.

Mama was there, without a doubt,

To love and reassure me.

She'd let me know that I was loved

That Life would turn around.

When peace and calm eluded me

Mom kept me on solid ground.

So, here it is, all too soon,

Time to say goodbye.

I see she is on her way

To God's eternal light.

I only hope and pray she knows

I'll carry her with me

Every day of my entire life.

My Mom - so loving, so bright.

## Adult Confirmation

Are you an adult who would like to be Confirmed? Archbishop Tobin invites any baptized Catholic to receive the Sacrament of Confirmation on May 31st. If you have been catechized, and are practicing the Catholic faith, but happened to miss confirmation when you were younger, this is another chance!

You will need a confirmed sponsor, and names must be submitted through the parish by **May 18th**. Contact Matthew for more information, or to put your name on the list.

**"God has found me worthy to be a minister of His Gospel, and so when I speak, I strive to please God and not men."**

**1 Thessalonians 2:4**

+Dear Friends,

"If you keep My commandments, you will remain in My love. I have told you this that your joy might be complete." The resurrection of Jesus has the power to transform death into life, lives of sin into lives lived in the image and likeness of God our Father, and a world torn by war and terrorism into a world where peace can reign!

Today's Gospel lets us all know exactly what role WE play, as baptized believers, in this possible transformation. Our responsibility, our privilege, is to imitate Jesus Christ: "As I have loved you, so you also should love one another."

How awesome it is to hear Jesus today say to us: "It was not you who chose Me, but I Who chose you." To think that each and every one of us has personally been called by Christ Jesus through His Holy Church! I don't think we will ever adequately comprehend the love of God toward us. Do you? It is simply beyond us that the One True God; Father, Son and Holy Spirit, calls us BY NAME! And, He calls us "friends," not slaves. It is THAT love that our Lord challenges us to show forth by the way we act and speak in our daily lives. Oh, if it were only that easy, right? I like this quote from a Jewish victim of the Nazi death camp of Auschwitz: "I fold my hands in a gesture that I have come to love, and in the dark I tell You silly and serious things, and implore blessings upon Your honest, sweet head....Goodnight Beloved."

As we go forth from this Holy Mass today, let us ask for the strength to love even more, breaking down any walls of hostility, revenge or calumny that perhaps we have helped build!

**A VERY HAPPY MOTHERS' DAY TO ALL MOTHERS OF OUR PARISH!!**

Today is Mom's day, so treat her to an extra special day. If Mom has gone before you in death, today is a day to remember all the kindness, all the acts of love, she shared in your years together. It's a day to pray for Mom in a special way. And, through the Communion of the Saints, it's also a day to ask Mom to continue to pray for YOU! God Bless Them All!

You all have a blessed week! God Bless You All!

*Father Mike*

## Parish Nursing Ministry

Someone said Jesus was the first public health nurse. He cared for and educated wherever He went. Parish Nursing (Faith Community Nursing) has been around for awhile. This type of nursing could be very advantageous to our parish. It could start out small and increase wherever the needs and wants of the parish take us.

Some of the possibilities include: Education on pertinent health issues, information on Advanced Directives and Living Wills, explanation and clarification of medicines, monthly blood pressure readings, movie nights, health fairs, the younger helping the older with physical needs, the older helping the younger with wisdom and patience, speakers to increase our knowledge base to make wiser decisions, etc. The parish has much to give to each other.

How can we improve the health and wellness of our parishioners at Mary Queen of Peace? Contact Theresa Donahue with any input (pro and con) on this issue. Also, she is seeking any ideas that are important to you: needs, wants, values, questions, fears. Email her at mtheresa44@aol.com or call her at 317-745-7065.
