1 Thessalonians 2:4

+ Dear Friends,

Each year on this Sunday following Easter, we listen to the Gospel story of St. Thomas, "the doubter." He has become synonymous with someone experiencing doubts, fears and anxiety in life. He refused to believe that the other Apostles had seen the risen Jesus.

"Unless I see the mark of the nails in His hands and put my finger into the nail marks and put my hand into His side, I will not believe."

Poor guy. Let's give him a break! None of us gathered here for Mass has ever had an encounter of seeing the risen, physical Jesus either. In faith, we gather each week, and even daily, for the celebration of the Mass to be caught up once again in the love that flows from the death and resurrection of our Eucharistic Christ!

Sometimes we allow that flow to ebb like St. Thomas the doubter, especially in the face of trials and pain. That's only natural. We are human after all. But we need remember the words of Jesus to St. Thomas: "Blessed are they who do not see yet believe."

Let us turn to St. Thomas, praying that through his intercession our faith will remain strong, that through the grace of the Sacraments, it will be made ever stronger!

This Sunday following Easter is designated **Divine Mercy Sunday**. Saint Faustina, a young nun of Poland, had the vision we see depicted in the image of Divine Mercy found to the right of the sanctuary here in our local parish church. The words "I trust in You!" are placed below the feet of Jesus. How very appropriate that, during the glory of the Easter season, we proclaim and celebrate the Mercy that is Jesus Christ! We pray that the Divine Mercy that *is* Jesus, will always be with us!

The celebration of Divine Mercy Sunday will take place here at St. Mary, Queen of Peace, beginning at 2:30. I will be celebrant and Fr. Vince Lampert, former pastor, will be our guest speaker. Let us come together in this Jubilee of Divine Mercy, to celebrate God's infinite love and mercy FOR US!

*****An early note concerning the Sunday, April 17, 10:30 a.m. Mass:** We will be celebrating **First Holy Communion** for our young boys and girls. Due to the normal high number of folks attending this Mass, if you do not have a family member making his or her First Holy Communion, you might consider attending either the Saturday 5:00 p.m. or Sunday 8:00 a.m. Mass.

May you continue to bask in the glow of Easter joy! God bless!

Father Mike

Divine Mercy Service

We will have a Divine Mercy Celebration on Sunday, April 3, here at Mary, Queen of Peace, beginning with Adoration of the Blessed Sacrament at 2:30 p.m. Beginning at 3:00 p.m., our Celebrant, Father Michael Fritsch, will lead us in the recitation of the Chaplet of Divine Mercy, a Eucharistic Procession and Benediction. Father Vince Lampert, Pastor at St. Malachy, will offer a Reflection during the prayer service.

A Holy Year of Mercy

"Be merciful, even as your Father is merciful"
(Luke 6:36)

Divine Mercy: For those within the archdiocese and around the world who are devoted to the spirituality of Divine Mercy, we pray to the Lord.

Down the Slope We Slide

The British passed the Human Fertilization and Embryology Bill. So, it will be legal in Britain to hybridize humans with other species, and grow humans from embryo for "scientific research". The bill was promoted to "make Britain a world leader in science and technology." This sad and misguided argument was made, and accepted as perfectly legitimate, where "the end justifies the means."

Our entire civilization (including all legal codes throughout the western world) depends upon the sharp and unambiguous distinction between what is human, and what is not. We do not abandon this "front line" without inevitably lapsing into the kind of barbarism of which fascist-era Germany and Japan served as terrible warnings.

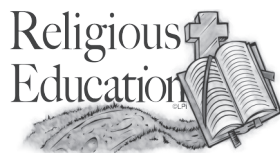

Back in the 1940s, Germany and Japan were world leaders in medical research, thanks to what their doctors were allowed to do to Jewish and Manchurian human beings, respectively. Other countries were considered less "progressive".

We already crossed the line, in 1973, when abortion was legalized. The definition of what is human, extremely sharp in nature, was made legally vague. The sharp line in nature can only correspond to human conception. From that moment of conception, a woman is carrying a baby, not some inhuman "thing" that becomes "relatively more human" with the progression of time. Ignore that sharp line, and no other line can be drawn and held. By comparison, childbirth itself provides no precision whatever, for a child may be born many weeks prematurely, and still survive and flourish.

In every subsequent battle, in which the darker angel of our human nature has attempted to "push the envelope" forward, those who defend the sanctity of human life have fought a frustrating, rearguard action.

And now we have "advanced" to the cusp of the Frankenstein era, in which the wanton breeding and destruction of embryonic humans is taken for granted, along with the assembly of animal/human hybrids. God help us!
