1 Thessalonians 2:4

+ Dear Friends,

A HAPPY FATHERS' DAY TO ALL THE DADS OF ST. MARY, QUEEN OF PEACE! May your special day be just that....a special day!

We have completed the Easter Season and the great feasts celebrating the Holy Trinity and Corpus Christi. Last weekend, we entered the long stretch of the Church year commonly called "Ordinary Time" that will take us to the threshold of Advent.

One would tend to think that following all of these grand and intense weeks of celebrating, the Church would give us some "easy" readings! Not this time around! We should listen carefully to today's Gospel, which will help set the tone for the coming weeks and months.

Once we have placed our faith in Jesus as Messiah and Lord, we are IMMEDIATELY told that, in order to be counted as one of His, WE must take up OUR cross and follow Him each and every day.

Strengthened by the power of Christ's Eucharistic Presence, celebrated so fully over the past few weeks liturgically, we pray to willingly accept the crosses of this life and pray that we will know the fullness of life in the world to come!

On a somewhat related matter, I was reading an article entitled "Benefits of Religious Practice." The article reported that those who attend Mass or some other religious service for those who are not Catholic, have healthier immune systems than those who don't. Immune systems aren't the only things that function better when people regularly practice their faith.

For example: "Regular church attendance is the most critical factor in marital stability. Similarly, the rate of cohabitation before marriage is seven times higher among people who seldom or never attend Mass or religious services, a significant finding since couples who live together before marriage experience higher divorce rates."

Interesting thoughts, right? While the above may be true, we celebrate the Holy Mass not because of the added benefits of health improvement; not because the Father and our Lord Jesus Christ commanded us to do so (even though They did!); not simply because it's mortally sinful to deliberately miss Sunday Mass (even though it is!); we come and worship and offer Mass because our Father deserves our prayer and worship. If we fail to gather as His Church and worship Him, then who or what DOES get our worship? We celebrate because it benefits US to know that we're in this life

together with others who support us in faith! And we in turn support them!

Maybe, just maybe, our society is finally getting the message that the practice of one's faith, and our Catholic faith in particular, is the number one priority in one's life! Join your fellow believers for Mass whenever you have the opportunity!

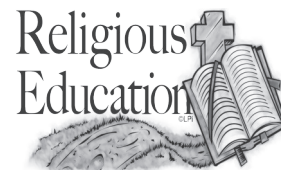

With ordinations coming up next Saturday at the Cathedral, I would like to personally thank each of you, who, from time to time, express to me the fact you are praying for me and my fellow priests. On behalf of my brother priests, thank-you for praying for us and please continue to do so! When you stop in church to visit Jesus or come to Mass, pray for your priests. Pray for us as we pray for you!

May God our Father, through His Eucharistic Son, in Their Holy Spirit, continue to bless us all!

Father Mike
