*"God has found me worthy to be a minister of His Gospel,
and so when I speak, I strive to please God and not men."*

1 Thessalonians 2:4

+Dear Friends,

Today we hear St. Paul's hymn extolling love. This particular passage of Scripture, because it is used almost universally for marriage ceremonies (believe me, it is used at most marriage liturgies!) can become almost too familiar to us. It becomes syrupy and sentimental which is not its meaning.

We need always remember that St. Paul uses this beautiful thought in comparison to Christ's love for His Bride, the Church and how we all are to mirror this *sacrificial* love. It's not about starry-eyed naïve expectations at all. It's about the nitty-gritty, day in day out, yes, joy-filled life Jesus offers us and calls us to imitate. I suppose it could be summed up in another very familiar Scripture quote: *"Do unto others as you would have done unto you."* That sort of says what St. Paul is trying to get at. And, I guess we have to honestly admit that we will have times in truly living up to his words. It's all about how we try; not how we fail.

I need to move from the lofty heights of "love" to the mundane ... but they are a part of our lives as well. Members of the parish have known since the time of its construction, that our church building leaks. Over the course of almost forty years, various efforts have been made to correct and fix these issues. The time has come to face the reality that something major must be done. With the agreement and input of the Archdiocesan Architect, we are moving ahead with finding a permanent solution. While initially it was thought to have everything addressed and finally resolved would be around the \$250,000 range, I must tell you it will be much higher. We have structural damage to the walls on all sides of the church. We have water making its way through the exterior brick and thus the white you see on the interior gray brick work. Look at the large wooden beam on the west side of the nave, above the statues and you will see the damage done due to years of rain soaking in. Thank God, the beam itself does not need to be replaced. "Okay, Father, how much are we talking about?" First, sit down. Initial estimates are somewhere around the \$565,000 mark. I know, I hear you. BUT it must be done. Band-aids won't work any longer; the church needs surgery. We will utilize our Gold Envelope monies and I will be applying for a free grant from the Archdiocese. However, we will either have to use some funds from our savings accounts or seek and be granted a loan from the diocese as well. While I have no final figures at present, I deemed it necessary and proper to bring everyone up to date. It is not the case that the church will fall down around us. It IS the case that this major repair MUST be finally addressed.

Our parish is so blessed in so many ways. As is the case with your homes, at times it becomes necessary to address

a major repair issue. I will keep you all up to date as things progress. St. Joseph, pray for us!

God bless you all!

Father Michael Litzsch

Prayer to St. Michael

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do Thou, O Prince of the Heavenly Host, by the power of God, cast into hell, Satan and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.
