**1 Thessalonians 2:4**

+Dear Friends,

During the earthly life of Our Lord, a "talent" was an extremely large sum of money. Sixty *minas* made up one talent and a *mina* equaled one hundred *dinarii*. (Now that we have all of our economics straight!)

In Jesus' day, an average worker earned one dinarius a day. When Jesus told the parable we share today, He knew His listeners would realize that each of the servants had been entrusted with a huge sum of money by their master. This money, well invested, had the potential for earning a tremendous amount more.

The spiritual talents entrusted to us during our lifetime on earth also have the potential for yielding extraordinary results! These gifts must be invested! In other words, they must be used!

When used, they build up Christ's Bride, the Church. They bring others the treasure that is our Catholic Faith. They bring the Good News of Christ Jesus. They bring us the great privilege of sharing in the sacramental life of the Church, of gaining the necessary graces to reach our goal of eternal life, of bringing others into the Eucharistic Heart of Jesus!

As the liturgical year of grace 2023 draws to a close with next weekend's celebration of Christ the King, this parable asks us to assess the extent to which we have invested our spiritual talents. Their potential is extraordinary! How extraordinary are the results of our investment in them this past year?

Remember, our *Mass of Thanksgiving* will take place on *Wednesday, November 22nd at 7:00pm*. Again this year, we'll celebrate on the eve before in order to help those who wish to travel or are busy that next morning. It's the perfect way to say "thanks" to the Lord for our blessings! Join us for Mass on the 22nd!

Many thanks also, for your kind greetings and wishes for my birthday, November 11<sup>th</sup>! Tick-Tock...the clock continues to move along!!

God's richest blessings be yours today and always!

*Father Michael Litzard*
